

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jim Heslin on 11/10/2009.

The application has been amended as follows:

In claim 27, lines 11-12, "terminal bronchiole" has been changed to --bronchial tube--.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose releasing a blocking element into the lung that prohibits air from flowing into the bronchial tube during inhalation for treating an enlarged airspace.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to KRISTEN C. MATTER whose telephone number is (571)272-5270. The examiner can normally be reached on Monday - Friday 9-4.
